Research Interests

Judgment & decision making

Cognitive development

Risk taking

Curiosity

Decision making under uncertainty

Exploration-exploitation

Education

PhD., Cognitive Sciences (in progress)

University of California, Irvine,

2015 – Present

Advisor: Barbara Sarnecka

M.A., Psychology

University of California, Irvine,

2015 – 2018

GPA: 3.95

B.A., Brain & Cognitive Sciences

University of Rochester,

2012 – 2015

GPA: 3.79, cum laude, high distinctions in Brain & Cognitive Sciences, honors in research, Dean's List 7/7 eligible semesters. Thesis Advisor: Celeste Kidd

Fellowships, Awards, and Honors

Public Impact Fellowship

University of California, Irvine,

2019

Fellowship awarded for academic excellence and research that influences the public.

Fellowship in Honor of Christian Werner

University of California, Irvine,

2018

Fellowship awarded for exceptional merit within the School of Social Sciences

Merit Fellowship

University of California, Irvine,

2015 – 2020

3 Fellowship quarters awarded upon admission

John I. Yellott Scholar Award

University of California, Irvine,

2016

Awarded to one student in the department of Cognitive Sciences during their first two years of graduate studies. Funded project titled, "Click at your own risk: Investigating individual differences in risk propensity among preschoolers."

Graduate Student Travel Award

University of California, Irvine,

2016, 2017

Awarded to travel and present at the Annual Meeting of the Psychonomics Society in 2016, and the Society for Judgment and Decision Making in 2017.

Virtual Reality Brain Jam Hackathon Winner

Games for Change,

2017

Won a competitive, internationally attended hackathon for creating a virtual reality measure of risk propensity in 48 hours. Collaborated with video game programmers and competed against 12 other teams.

Teaching Award

University of California, Irvine,
12 teaching quarters awarded upon admission

2015 – 2020

Bilski-Mayer Fellowship

University of Rochester,
Funded summer research project on decision making and statistical learning.

2014

Continuing Student Scholarship

University of Rochester,
Awarded for outstanding academic and extracurricular achievements.

2012, 2013, & 2014

Dean's Prize for Undergraduate Research

University of Rochester,
Awarded by the Office of Undergraduate Research for outstanding research during undergraduate.

2014

Community Connections Award

University of Rochester,
Awarded by the Department of Gender Studies for founding UR SEGway, a sexual violence prevention group on campus.

2014

Psi Chi Membership

University of Rochester,
Member of the international honor's society for psychology

Work Experience

Graduate Student Liaison **Irvine, CA**
University of California, Irvine *2018–Present*
 Liaison between the faculty members and graduate students of the Department of Cognitive Sciences.

Graduate Student Mentor **Irvine, CA**
University of California, Irvine *2015–Present*
 Mentoring 15+ students in independent research projects and helping them apply for funding. Have received a total of \$20,000 of research funding.

User Experience Research Consultant **Berlin, DE**
HelloFresh *2018 – 2019*
 Remote consultant for HelloFresh, an international meal kit subscription service. Duties consist of performing statistical analysis, conducting usability tests, and working with an international team.

Teaching Assistant **Irvine, CA**
University of California, Irvine *2016 – Present*
 Teaching assistant for Introduction to Psychology, Psychology of Influence, Abnormal Psychology, and Industrial Organizational Psychology. Responsible for developing lessons and leading three weekly discussion sections.

Teaching Assistant **Rochester, NY**
University of Rochester *2015*
 Teaching Assistant for Language Development course. Assisted in answering student questions, test creation, and grading.

Undergraduate Researcher **Rochester, NY**
Rochester Baby Lab *2015*
 Assisted with running participants and lab administration.

Naturalist **Lincoln, MA**
Drumlin Farm Day Camp *Summers 2011 – 2013, 2015*
 Curriculum development and teaching 3- to 10-year-old day camp students farming, biology and nature in the outdoors.
